FINANCIAL DEPARTMENT.

Circular No. 2084—*T. A.* 163, *dated 9th April* 1906.

To—All Heads of Departments and Deputy Commissioners of Districts.

Under Articles 528 (2) and (4) and Note (1) to Article 561 (ii) of the Mysore Service Regulations, Non-gazetted and Ministerial Officers of Government and menial servants of certain classes are entitled to draw their actual travelling expenses by road, subject to a maximum of a specified rate per every mile of road travelled. It would appear that in a large number of cases, Heads of Offices or Departments allow these officers or servants the maximum mileage rates admissible to them without reference to the actual expenditure. This is irregular and leads to correspondence and delay in passing the bills in audit. Countersigning Officers are therefore requested to carefully scrutinize all claims of Non-gazetted Officers and menials in the light of the above remarks and not to pass the maximum rates as a matter of course.
